Woodbury Medical Group Announces New Addition

Meet Dr. Steven Luh at Open House Event

IRVINE, August 18, 2008 – Woodbury Medical Group (WGM) announced today that on September 1, the practice will be adding a new physician to its staff. Dr. Steven Luh will be moving his practice to the Woodbury Medical Group in the Hoag Health Center located at Woodbury Town Center, Irvine, CA.

The WGM also announced it will be hosting an open house to provide community members with an opportunity to meet Dr. Luh at his new location. The event will be held in the office on Saturday, September 13, from 5pm to 6pm.

"I am very pleased at the upcoming move. Merging my practice with the WGM will provide my patients with numerous benefits, such as, increased access to medical services: extended hours 7 days a week, walk-in urgent care services and on-site radiology (x-ray and ultrasound) and phlebotomy (no more waiting at Quest or Westcliff)," commented Dr. Steven Luh.

Additionally Dr. Luh's patients will benefit from access to Dr. Felix Horng and Dr. Bena Teo (two outstanding board-certified, Hoag-affiliated physicians), increased staff support (8 staff members, versus 1) and a beautiful, brand-new 3,500 square foot facility, complete with the latest technological equipment and ample parking.

According to Dr. Horng from WGM, "We are honored to have Dr. Luh join our team. His knowledge and skills as a physician fit well with the WGM's patient-friendly philosophy of providing the highest quality care to our patients. Additionally, Dr. Luh is fluent in Chinese, enabling us to extend our medical services to even more people within our community."
